FOUR MANAGERS ACCEPTED

FIRST PLAY BY HOPWOOD

Ten years ago a tall, slender young man got off the Cleveland Express in Jersey City. He was very pale, very blond and very much unknown.

He had been a reporter on the Cleveland Leader and there he proved himself enough of a financial genius to save money from his reporter's salary. His savings represented years of self-denial.

Now he is going to invest them all in an experiment. He was convinced that, away from the routine grind of his newspaper duties, he would be able to write creatively. What he wanted to write was plays.

And he felt New York, as the play center of the country, was the place for his experiment. And he hired a hall bedroom and a typewriter. And he wrote a play. He made four carbon copies of it and then sent them off to four managers at the same time.

Four managers all accepted the play, but the first firm whose acceptance was received was Wagonwheels and Kemper and their acceptance came by telegram, the others accepted by letters.

The play was "Guthrie" and the author was Avery Hopwood, who appears at the Boys Theater on Monday, Dec. 11.

Special Meeting of the Board of

County Commissioners, Luna

County, New Mexico.

December 1, A. D. 1933.

Be it remembered, that the Board of County Commissioners of Luna County, New Mexico met this day in special session in the office of the board at the Courthouse in the Village of Deming for the purpose of carrying the levies in School Districts Nos. One and Five.
